Jennings School District
2559 Dorwood Drive
Jennings, MO 63136

Dear Chaunceia Mayfield:

On behalf of Dr. McCoy, Superintendent, of Jennings School District, Jennings School District board members, staff, students, and parents, thank you and your organization, Strengthen Thy Sister, for your generous donation of gift cards, mask, gloves, and cleaning supplies to Jennings Hope House I & II.

The Hope Houses were opened to ensure that our students who were experiencing homelessness and serious family issues, could have a safe place to go. Our students receive social and emotional support and can continue their education uninterrupted in a nurturing home environment until their family situation improve.

We are blessed to have your organization as a donor and know that you care about our students as much as we do. This has been a difficult year for all of us across the nation and the world due to the coronavirus pandemic. Your support to ensure that our Hope House students have a Merry Christmas during these unsettling times is so considerate and very gracious.

We gratefully thank you again for your unconditional support, which helps us to continue to provide a safe, healthy, and loving home environment for our students.

Sincerely,

Dr. Vernice Hicks-Prophet
Assistant Superintendent of Elementary Schools
