Dear Ms. Mayfield,

On behalf of Loaves and Fishes, I would like to take this opportunity to thank you and your Strengthen Thy Sister organization, not only for your amazing contribution but also for a wonderful luncheon full of praise and encouragement. The gift cards you gave us will go a long way in feeding and providing supplies for our residents and clients.

Loaves and Fishes is proud to say that it has been serving the Greater Metropolitan St. Louis area for 30 years. Because we consider ourselves a "mom and pop" organization we rely heavily on the support of our community. Thanks to the support we get from organizations like Strengthen Thy Sister, Loaves and Fishes will be able to continue its fight to end hunger and homelessness.

Thank you for your support,

Jacki MacIntosh, Executive Director
