Dear Minister Mayfield:

Thank you for your generous donation of \$1,000 to Almost Home.

Your gift will help with housing, nutritious meals, counseling and educational support for our teen moms and their children. Because of your support, our young teens will get the skills needed to become better moms, employees, and contributing members of our community. Most of all, they will obtain hope that comes from a 24-hour staff of professionals who care enough to coach and give parenting advice with love, compassion, and encouragement.

In 2013, we served 53 mothers and 62 of their children. They could not have had our life enhancing programs without you.

On behalf of the teens, toddlers and infants who call Almost Home *their* home, we are very grateful for your partnership with us to break the cycle of poverty. **It is appreciated more than you know.**

Sincerely,

Rhonda Gray
